

1. What is your comfort level with Nanoscience upon completion of the workshop?

Not at all Somewhat Comfortable Very Comfortable

2. What is the likelihood that you will incorporate the workshop concepts into your current science curriculum?

Not likely Somewhat likely Likely Very likely

3. How often during the school term will you utilize workshop content into your current science curriculum?

Never Once a year Each semester Weekly

4. How often during curriculum units will you incorporate workshop concepts into your current science curriculum?

Never Once per text Once per unit Once per chapter

5. How prepared are you to incorporate the concept of Nanoscience and nanotechnology into your current science curriculum?

Not at all Somewhat Very Extremely

6. How relevant to your current science curriculum was the workshop content?

Not at all Somewhat Very Extremely

7. Did the workshop meet your expectations?

Not at all Somewhat A little Very much

8. How much did you learn about Nanoscience and nanotechnology as a result of the workshop?

None Very little Some A lot

9. How confident in the area of Nanoscience and nanotechnology are you to incorporate it in your current science curriculum do you feel?

Not at all Somewhat Very Extremely

10. How valuable was it to have peer mentors involved in the workshop?

Not at all Somewhat Very Extremely

11. Please make comments in regards to question #10.

12. Name 3 things about the workshop you feel worked.

- 1. _____
- 2. _____
- 3. _____

13. Name 3 things about the workshop you think could be changed.

- 1. _____
- 2. _____
- 3. _____

14. How likely are you to pursue additional information about Nanoscience and nanotechnology as a result of this workshop?

Not likely Somewhat Likely Very likely

15. How likely are you to share with another colleague(s) information about this workshop?

Not likely Somewhat Likely Very likely

16. How likely are you to present information you learned in this workshop to your school?

Not likely Somewhat Likely Very likely

17. How interested are you in attending another workshop on Nanoscience or nanotechnology?

Not at all Somewhat Interested Very interested

18. How likely will you be to encourage others to attend this workshop when offered?

Not at all Somewhat Likely Very likely

19. What comments can you make about the guest speakers of this workshop?

20. What comments can you make about the instructors of this workshop?

21. What comments can you make about the schedule of this workshop?

22. Did you find the value of this workshop in relation to credits and cost reasonable?

Not at all

Somewhat

Very

23. Please make any additional comments:
