

1. What is your previous experience with Nanoscience and nanotechnology prior to this workshop?

None at all Heard of it Read about it A lot

2. What is your comfort level with the concept of Nanoscience and nanotechnology prior to this workshop?

Not at all Somewhat Comfortable Very comfortable

3. What area of science do you teach? _____
_____.

4. What level at science do you teach?

Middle school Secondary

5. How valuable is it to have peer mentor teachers as part of the workshop?

Not at all Somewhat Very Extremely

6. What were some of the reasons why you enrolled in this workshop?

7. How likely are you to incorporate the workshop concepts into your current science curriculum?

Not likely Somewhat likely Likely Very Likely

8. How often do you use nanoscience concepts in your current curriculum now?

Never Once per text Once per unit Once per chapter

9. How prepared are you to incorporate nanoscience and nanotechnology into your current science curriculum?

Not at all Somewhat Very prepared

10. How relevant is the concept of nanoscience and nanotechnology to your current curriculum?

Not at all Somewhat Very Extremely

11. What are your expectations of this workshop?
